

## Digital Technology Resources for Families: Where to Find More Information

---

**Using digital technology at home can be a tricky issue for families to navigate. Conflicting information and concerns about child development can lead to many questions, such as How much screen time is too much? How do I know if an app is appropriate?**

**Below, we have provided some links to reputable websites that can help you answer these questions and more!**

---

## **American Academy of Pediatrics**

- **Templates for creating Family Media Plans and Media Time Calculator, can be individualized to suit individual contexts**

<https://www.healthychildren.org/English/media/Pages/default.aspx#home>

- **Opinion piece regarding screen time rules and the lack of evidence based research in this area. (October, 2016)**

<http://blogs.lse.ac.uk/parenting4digitalfuture/2016/10/21/new-screen-time-rules-from-the-american-academy-of-pediatrics/>

- **Managing kids media use - Tips for families: Addresses issue of managing the many small screens/devices that are now present in many families, rather than the singular tv/computer screen of recent past. (March, 2015)**

<http://blogs.lse.ac.uk/parenting4digitalfuture/2015/03/18/playing-games-together-or-hiding-the-tablet-in-the-cupboard-what-works-when-managing-kids-media-use/>

## **Canadian Pediatric Society**

- **How to determine limits for children's screen time and tips for helping children develop healthy electronic media habits. (June, 2007)**

[http://www.caringforkids.cps.ca/handouts/limiting\\_screen\\_time\\_at\\_home](http://www.caringforkids.cps.ca/handouts/limiting_screen_time_at_home)
